

---

*When offering our Marketing services, we ensure complete preparation, execution, and oversight of all Marketing services and activities. Services include but not limited to the following*

---

- Monthly Products / Services sales analysis and reporting.
- Preparation, implementation, and oversight of Marketing requirements, recommendations, and adjustments.
- Planning, coordinating with external services providers and oversight of external services to foster the needed Marketing results.

---

*Note that some services may require the use of external service providers. External service provider fees will be charged accordingly.*
